All India Parivartan Sewa Samiti
Programmes & Activities in Madhubani District

With the aim of the overall development of the district, the team of All India Parivartan Sewa Samiti (AIPSS) started its activities in district Madhubani, Bihar State from 2016. Now, we are in third year of working and the organization is successfully completed the following programmes / activities in the Madhubani District:

Base Line Survey and Sensitization on Financial Literacy

Volunteers of AIPSS are involved in Base Line Survey of Madhubani District to collect the data related to socio economic conditions of the persons / artisans in the Madhubani District. During the survey, they also organized several awareness programmes on financial literacy, various schemes of the Government.

They help the local people to form Self Help Groups (SHGs). By their efforts at present more than 200 beneficiaries were applied for the loan under various schemes of the Government like Pradhan Mantri Employment Generation Scheme.

Training to Weavers on Traditional / Motorized Charkas

With the support of individual donations, the organization set up a Charka Training Center at Madanpur Village.
With the aim to create awareness about the traditional craft of the district, the organization had conducted craft awareness programme in the various part of Madhubani with the support of Council of Handicrafts Development Corporation (COHAND). The main target of this event to create awareness and interest in school students. The programme was organized in different government and private schools covering 500-600 students and general public.
